BioBlitz! 2013

Young People's Schedule

Time	Activity	Description
<hr/>		
Saturday, October 12th		
9:00	Great Horned Owl Puppet	Make a paper bag puppet of one of Oklahoma's largest owl species. Giant googly eyes will be furnished!
10:00	Horned Lizards	Make your own horned lizard using construction paper and googly eyes.
11:00	Recycled Sunfish Sun Catcher	Convert a couple of old CDs into a beautiful fish suncatcher, using sequins, foam fins, and some creativity.
12:00	Nature Bracelets	Using a simple piece of duct tape and found natural objects, create wearable art.
1:00	Bird Games	Learn more about Oklahoma's birds by playing bingo and other games!
2:00	Leaf Birds	Collect leaves and turn them into feathers on this nature bird.
3:00	Nature Mobiles	Find interesting objects to assemble a unique mobile to hang in your home reminding you of the diversity found at Camp Simpson.
