

BRUCE STEWART STUDENT TRAVEL AWARD

The Southwestern Association of Naturalists is granting student travel awards to help defray travel and meeting expenses for students attending the 64th Annual Meeting to be held on 13-16 April, 2017, at Cameron University, Lawton, OK, USA. These awards will be given to students currently enrolled in an institution of higher education outside of the United States who are presenting papers or posters. Students must be current SWAN members, and those who have received two travel awards previously are ineligible.

Deadline for application is 15 February. To apply for a Bruce Stewart Student Travel Award, please use this [on-line application](#). To help you with the proposed budget, here are estimates of some of the costs (since the final call for papers has not yet been published, the costs may be adjusted once we know the real costs):

- Student Registration \$75 US
- Picnic \$25 US
- Banquet \$30 US
- Lodging variable and depends on your choice of hotel and if the room is shared (preferred). For budgeting purposes, use \$40 US/night/person.
- Travel cost is variable, but please include RT ground transportation (car rental) to and from the Dallas Fort Worth airport or Oklahoma City airport.
